August Dinner Meet

Our August dinner meet at Billy Reed's was well attended with some members having returned to the area after vacations. Prior to the meeting, the Board met and discussed several issues and worked on calendar planning. In the next section, I will bring you up to date on that discussion.

Message from the Board of Directors

In the board meeting last week, we discussed ways to mix it up and generate interest. The hot summer months make it difficult to conduct drive tours, as some of our members have older cars that can't tolerate the heat and many members are away. We have tentatively scheduled another run to Lake Arrowhead in November, the date to be finalized.

In an effort to keep things fresh, we have decided to move our dinner locations around to appeal to varied interests. The September 17th dinner, for example, will be at Elmer's on Hwy 111 in Palm Springs. The food is great and the restaurant is large enough to handle large groups. The restaurants love having us, but they really need to prepare for groups of people. Therefore, when I send the reminder about a dinner meeting, I will be asking you to RSVP so that I can give the venue an accurate count.

We will be having board elections and you will be able to vote online via email. If you are interested in assisting or leading this region, please consider volunteering for the board. In the meantime, we need your input about events, drive tours and other gatherings for our region. If you were to tell us what interests you and what will motivate you to participate, we can discuss this and work it into our calendar. President's message below — Jay D'Angelo

The Board met this last week before the dinner meeting and we have a busy schedule lined up for the coming months. We are going to make some changes! The dinner meetings are still going to be the 3rd Wednesday of the month. But, we are going to rotate locations each month. Along with this we will need to let the restaurant know how many are coming. Jay D'Angelo your Vice President is taking on that task.

We are seeking your input for everything that we are doing. We would appreciate you telling us what you want and what you think of our new ideas. Is there some place you would like to take a tour to? Is there a special restaurant, car show or venue you want us to do as a group. In other words we need your input!

Our second anniversary is coming up in October. That means it is time for elections. If any of you would like to be involved in the management of our club it is your time to step forward. We are seeking nominations for President, Vice President, Secretary and Treasurer. You can at this point send your nominations to me via email. I am looking for someone to be the elections coordinator. Let me know if you are interested in that position. Nominations should be in by the 20th of September. Then we will send out a ballot for everyone to vote.

Some of you have not signed up or have not renewed your dues for this year. Please send those to Kent Vandenberg your Treasurer and Membership person. You do not want to miss out.

Thanks to all of you for participating and making this a wonderful club — Frank Wenzel
